25X1A	telephoned concerning the possibility that a covert contact of some importance would wish to meet with Congressmen several	25X1A
	weeks from now when he is in town in connection with	
	situation. I suggested that we check the matter when the plans are	<b>一</b> .
	more firm since Congress is not in session and very few members are here.	
25X1A	2. telephoned to advise that the birthdate	
25X1A		 25X1 <i>A</i>
	and there should be so difficulty if he files for citizenship with this	20/(1/
	date. Miss Creagas in Congressman Judd's (R., Minn.) office will be advised.	
25X1A	telephoned concerning the possible appearance of General Cabell before the Senate Internal Security Subcommittee to indicate that he planned to farnish a copy of the statement to the FBI the day prior to the scheduled bearing for information. It will not be cleaved in advance with the Department of State.	
	4. Miss Smith, in the effice of Congressman Cornelius E. Gallagher, (D., N.J.) called to inquire on the status of the application	25X1A
	Miss Smith	
25X1A	at an early date, our investigating procedures had been	
-	slowed up and it was doubtful that we would be able to take definite	
25X1A	in less than 60-90 days. Miss Smith accepted	
i	this with some disappointment and asked that we keep the Congression	
25X1A	posted. was asked to be sure to tickle this case to keep Gellecher informed
